Message

It is my privilege to extend warm greetings on the occasion of “*Judicium 2025: Inclusion, Access and Strengthening*”, a Conference being organized by the Uttarakhand Judges Association on 23rd February, 2025 at Dehradun. This Conference is a significant step towards strengthening our commitment to inclusion, access to justice and institutional integrity.

The transformation of the Association from the Uttaranchal Judges Association to its current identity reflects its progressive vision and dedication to promote efficient and fair justice. Its welfare initiatives for the judicial officers and their families are truly commendable.

The souvenir published to mark this event stands as a tribute to our shared ideals and will inspire all readers in their pursuit of justice.

I congratulate the office bearers and members of the Uttarakhand Judges Association for their unwavering dedication and wish the Conference a grand success in shaping a stronger judicial system.

Ritu Bahri
