Message

I would like to congratulate the Uttarakhand Judges' Association for organizing the Annual Conference of the Association, "Judicium 2025, Inclusion, Access and Strengthening" on 23rd February, at Doon University, Dehradun. I hope that the officers of the District Judiciary partake in the conference to debate upon, and to express their views on various issues relating to Judicial Services matters, the latest legal trends prevalent in the Country, the new laws enacted by the Legislature, and as such, the healthy dialogues would ultimately yield good results in matters relating to the grievances of the officers and in better administration of justice.

I wish for a successful conference of the Uttarakhand Judges Association, with a hope that a positive way forward is paved by the deliberations in the Conference.

(Justice Alok Kumar Verma)
