Dated: 18.02.2025

It gives me immense pleasure to be informed that the Uttarakhand Judges Association is organizing an annual conference of the association, Judicium 2025, inclusion, access, and strengthening, on 23<sup>rd</sup> February, 2025 at Doon University, Dehradun. The conference would provide opportune place for deliberation upon the problems being faced by the judicial officers and the sincerest of efforts being made to find answers to such problems. I also sincerely hope that the healthy discussions and dialogues during the conference would serve as an impetus to the judicial officers of the district judiciary, in ensuring speedy justice to the litigants, who look at this prestigious institution as the last ray of hope for redressal of the grievances, so that the faith of the common man in the judicial institution is reinforced.

I wish the best of success to the Uttarakhand Judges Association in organizing a successful conference of the Association.
