MESSAGE

I am delighted to know that the Uttarakhand Judges' Association is organising it's annual conference, Judicium:2025, Inclusion, Access and Strengthening on 23rd February, 2025, at Doon University, Dehradun.

I hope that the conference serves as a platform to all the Judicial Officers of the state to have a healthy and meaningful discussion on the latest developments in law, and in devising a methodology for a speedier justice delivery system for the common man. I also hope that deliberations are held on Judicial infrastructure and the pressing needs of the Judicial officers.

I would like to congratulate the Uttarakhand Judges' Association for organising the conference and extend my best wishes to the Association for a successful conference.

(Pushkar Singh Dhami)
